Papers combined.

was sailing on the high-seas, if not legal papers issued by American authorities. This was her status when on the thirtieth of October she was pursued, fired at and captured by the Spanish war-steamer, her flag pulled down by a Spanish officer, and t ie Spanish ensign hoisted in its place. A prize-crew was put aboard of her; her own crew and passengers were taken as prisoners and transferred to the Jall of Santiago de Cuba, and ordered, within twenty-four hours afterward, to be tried and executed as pirates. A mockery of trial was had at drumhead courtlike beeves, amid the

martial, and these men were rejoicing of a brutal Spanish mob! There were eighty persons thus butchered, among them citizens of the United States! Slow as our government is to act in vindication and by the storm-lashed, fron-bound of the honor of the nation, coast of New England, have we sat in and the protection of its citizens, we believe that it will before long act in a wild waves were saying, but never findmanner that will teach the captain gene- ing put the meaning of their murmurral of Cuba that his safety would be lugs or of their roars.
